

The Friends of Milton Road Library

Here is your invitation to join us as a member and help support and develop your local library.

The Friends exist to:

- promote Milton Road library within the community
- help develop the building as a community resource and facility
- facilitate the running of library and community events at the library
- liaise with the County Council on all aspects of running the library
- liaise with the City Council on developing resources for general use by our local community

As a member of the Friends we will keep you informed of events and activities, and also ask you to give us ideas and feedback on proposals affecting our library. Most of the events we run are free to members. We will keep in touch with you primarily by email but we will do what we can to also notify those people who join us who aren't on the internet.

The subscription to be a member is **£5**, or **£8** for **family/household membership** (£3 and £5 if you are unwaged); **£10** for **community members** (schools and local businesses etc). Anyone can of course continue to use the library for free. Membership runs from **1st January each year.**

I wish to become a member of the Friends of Milton Road Library.
